

SFPS Office of Development Mission Statement

The Office of Development leads an integrated collaborative effort to secure philanthropic investment in St. Francis Parish School's strategic goals, its programs and students; to build and nurture relationships with its constituents; to communicate and showcase SFPS's commitment to excellence in Catholic Education. To achieve success and advance SFPS's strategic plan, we seek to create the **infrastructure** to support **philanthropic activity**:

- *Inform* our stakeholders
- *Involve* our parents and partners
- *Inspire* a culture of giving and investment

to propel us to become a model Catholic school recognized for exceptional programs that prepare our St. Francis Parish School students for academic future success.
